WAIDLER

2. Background and Introduction

2.1. Waidler (Pty) Ltd is a motor vehicle investigation service that provides a one stop solution to automotive related services. Waidler (Pty) Ltd possess extensive expertise in the automotive industry where motor vehicle collisions, defects and damages are concerned.

2.2. The insurance company have to procured an Waidler (Pty) Ltd to conduct certain vehicle investigation services.

2.3. Investigations are prepared from visual, external and digital data download of a vehicle. Investigations do not normally involve dismantling or disturbing any structure, assembly, component or internal mechanism, however, there may be instances where the vehicle is totalled, and it requires the company to dismantle certain parts of the vehicle in order to obtain the vehicle's control unit; It mainly consists of the downloading of digital data from the vehicles internal recorded data called digital data download.

2.4. Digital data download will be retrieved in a binary syntax and will be decoded via code protocols provided by the unit manufacture. The retrieval of this information will be performed directly from the Micro Processor stored on the hardware, either via the OBDII interface in the vehicle or via the relevant pins on the unit itself. All available data and parameters are recorded in a closed loop circuit and stored according to a first in - first out principle. Therefore, it cannot be tampered and deleted manually. This process is not comparable with a common diagnostic test.

3. Consent to inspect and acknowledgement

3.1. By signing the Consent Letter (Annexure "B"), the Vehicle Owner unequivocally agrees to these terms and conditions and undertakes to abide hereby.

3.2. Schedule "C" contains an explanation on the process and what data will be extracted from the Vehicle's digital data, in order to assist with the investigation.

4. Reports and Content

4.1. Due to the confidential nature of the services that the company renders, the reports will under no circumstances be shared with any third party and will only be submitted to the insurance company directly.

4.2. All reports, content and downloaded digital data are a true technical and scientific reflection of facts only. The parties agree that under no circumstances will the vehicle owner or insurance company request any amendment or changes to be made which would deform the true reflection and/or integrity of such a report.

5. Third Parties

5.1. The parties agree that under no circumstances will any information be shared with any third party, which includes but is not limited to policy holder, vehicle owner, witnesses, panel beater etc.

5.2. Any and all correspondence will only occur between the company and the insurance company. Any information requested by a third party will have to be channelled through the insurance company in relation to any discussions relating to results, reports, explanations or meetings and the same can only be only requested via the insurance company or a representative acting on its behalf.

6. Enforcement of terms

6.1. Each of the clauses of these terms operates separately. If any court of relevant authority decides that any of them are unlawful, the remaining clauses will remain in full force and effect.

7. Verification of evidence before a Court of law

7.1. The Company will under no circumstances disclose any "raw data" to any third party, insurer, insurance company or whoever requests same, without a court order first being obtained by the party requesting the information.

7.2. Should it be required, the parties agree that the investigator will testify voluntarily to verify its expert findings, however and any right to Private Privilege and/or privileged information must be granted and/or respected. No question into any privileged and/or private information will be answered, unless a Court Orders the investigator to answer same;

8. Use of personal information.

8.1. The Company will use the obtained personal information for the purposes outlined in the fair processing notice in the Schedule below. The Company will use your Vehicle's operational information as downloaded from the vehicle systems for purposes of an investigation only and will only disclose same to the insurance company or any of its appointed representatives.

9. Notice.

9.1. All notices under these terms and conditions shall be in writing and: (a) if delivered personally or by an internationally recognized overnight courier, be deemed given upon delivery; (b) if sent by registered or certified mail, return receipt requested, be deemed given upon receipt; or (c) if transmitted electronically, be deemed given on the date on which the acknowledgment of receipt has been received.

9.2. A party may from time to time change its address or designee for notification purposes by giving the other prior written notice of the new address or designee and the date upon which it shall become effective. Notices shall be sent to the parties' personally as described herein below

10. Interpretation

10.1. The headings used in these terms and conditions are for convenience only and shall not affect the interpretation of their contents.

10.2. These terms and conditions are governed by South African Law. No amendment of or addition to this Agreement or any consensual cancellation thereof or any part thereof shall be binding on the parties unless reduced to a written document and signed by them;

10.3. No relaxation or indulgence, which the Company may show to the insurance company, shall in any way prejudice the Company or be deemed to be a waiver of its rights nor shall such relaxation or indulgence preclude or stop the Company from exercising its rights in terms of this agreement in respect of any further breach;

10.4. This Agreement constitutes the whole agreement between the parties and no warranties or presentations whether express or implied have been given or made by the Company to the insurance company;
